In Motion Physical Therapy is looking for a Part-Time Occupational Therapist. Our mission at In Motion Physical Therapy is to provide excellent rehabilitation programs in an encouraging and supportive environment. We provide our patients with up to date facilities and equipment as well as private treatment rooms to help accomplish their rehabilitation goals.

You would be working in a new state of the art facility alongside PT, ST and massage and have a say in equipment needs for OT. This facility is totally paperless, so computer skills are required.
