

2/22/2012

**POSITION:**      **Occupational Therapy / Physical Therapy**

**LOCATION:**      **Jacksonville, FL**

**BENEFITS:**      **Full-Time Salary; Insurance; 401K;**

**DESCRIPTION:** **The position is for an Outpatient Occupational Therapist at the Heartland @ Kennerly location (near University Blvd).**

This position reports directly to the Clinic Director. Duties and responsibilities include but are not limited to:

- Occupational Therapist with Outpatient Hand Therapy clinical experience,
- 1-3 (+) years clinical outpatient experience.
  - CHT or PT/OT combined degree a plus.
- Competence to complete splint and brace fabrication for numerous post-operative patients. Splints include, but not limited to:
  - Thumb Spica / CMC Splinting
  - Carpal Tunnel Release / Wrist Cock-Up Splint
  - General Static Splinting
- The ability to manage direct communication and coordination of hand therapy services with hand surgeon.
- Physician marketing and outreach experience a plus.
- Ideal candidate will understand and deliver the appropriate charges per insurance, per visit.
- Responsible for maintaining a 12 patient per day case load.
- Managing and facilitating a low cancel/no show rate.
- Great appearance, demeanor, hospitality, clinical outcomes, and focus on patient satisfaction.
- Ability to travel between local facilities as needed.
- Customer service, communication, teamwork, adapting to change/flexibility, personal effectiveness/achievement motivation;

Ideally, we are searching for an outgoing OT/PT candidate with exceptional Hand Therapy skills and experience. The candidate will work directly with a local hand surgeon and will evaluate, treat and complete custom fabricated splints daily.
