## Learning Objectives- Splinting Course

Upon completion of this course, participants will be able to:

1. Recognize indications, precautions and contraindications for immobilization splinting of the upper extremity
2. Analyze mechanical properties required to fabricate low temperature thermoplastic immobilization splints for the upper extremity.
3. Identify important anatomical structures and landmarks of the upper extremity.
4. Analyze key characteristics of splinting materials for fabrication of specific splints.
5. Learn to critique and assess different splinting materials

*Workshop Format: Power point presentation, splinting demonstration, lecture and hands on fabrication of splints will guarantee achievement of learning objectives.*

Satisfactory workshop completion requirements include sign-in, active participation in splinting lab, attendance at presentations, and completion of a course evaluation.

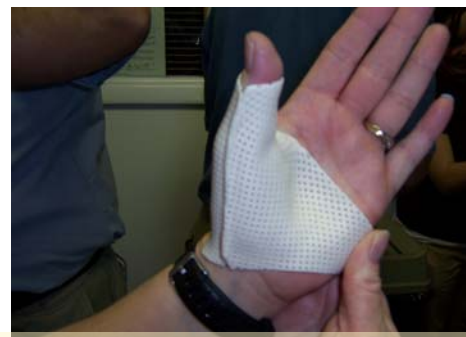

*This splinting course is appropriate for OT's, OTA's, PT's and PTA's with beginner to intermediate splinting skills*

## Instructor

**Debby Schwartz, OTR/L, CHT**

***Product and Educational Specialist, Physical Rehabilitation***

Debby Schwartz, OTR/L, CHT is a hand therapist with over 22 years of experience as a practicing clinician. She has joined Orfit Industries America to promote product awareness and splinting education. Debby is an active member of ASHT and has participated in IFSHT meetings as well. She has presented on a variety of hand therapy topics both at national and international conferences. Debby has also written a number of articles for the Journal of Hand Therapy, the British Journal of Hand Therapy, ADVANCE for OT, [www.exploringhandtherapy.com](http://www.exploringhandtherapy.com) and other hand therapy publications.

*A Certificate of attendance will be issued to all participants completing the CEU requirements. One day equals 8.0 contact hours (.8 CEU's). This splinting workshop meets criteria "A" for hand therapy certification and is accepted by NBCOT and most state OT boards. 3Kings UE Specialists will be providing CEUs for FL OTs. CE Broker # 50-9345.*

**Content Focus:** Domain of OT: Performance Skills, Client Factors, Context

Occupational Therapy Process: Intervention
